

LRPC's National Day of Prayer efforts!

Kudos to all (24) participants (listed below) that took part in our first and best online National Day of Prayer event. It was conducted using five different one-hour telephone conference calls. The five calls setup through-out the day, were led by **five prayer leaders**, who both recruited and facilitated one of the hours. In addition, several prayer warriors prayed in more than one session, so together we lifted up 30 individual praise and pray requests lifted up to our Lord, for His Glory around the world, and here in America, Maryland, Baltimore Co, and LRPC in Parkville.
